PINNAROO SHOW & FIELD DAY

The first Pinnaroo Show held on 27th October 1910, set the standard for the annual event now regarded as one of the best country shows held in South Australia.

The show has changed over the years, as the early shows featured many animals as part of everyday life on the farm, evolving over the last 114 years to add other attractions and concluding with a fireworks extravaganza.

In the event of a tie for the highest points, the MLASA reserves the right to perform a count back to determine the winner, or award joint winners. Exhibits must be the bona fide work of the exhibitor

Start entering while you are young. Do not give up.

Men are encouraged to enter in any sections.

Remember, if at first you don't succeed, try again!

SOME HINTS AND JUDGING CRITERIA:

1. Do not brush milk or anything on to scones. Just dust off the flour after they have been baked.
2. Do not cut the ends off sponge rolls or nut loaves.
3. Lamington sizes are not critical, but they must be all of the same size.
4. When making lamingtons, use a proper lamington mixture, not sponge mixture.
5. If papering tins, have them very smooth (greaseproof paper or Glad Bake are the best).
Be careful when turning out cakes and **do not place on wire racks**. Any marks on the bottom of cakes go against you. Alfoil tends to make a cake sweat. Tea towel may be better.
6. Evenness of size and height and texture are important.
7. The plate you put your entry on has no bearing on the points given.
8. Do not ice the sides of log cakes.
9. Points for judging are: 20 for appearance, 10 for evenness, 10 for texture and 10 for flavour.

Recipes from the CWA Recipe Book are most reliable

Books can be obtained from the CWA rooms and CWA members

Remember to read the rules and class descriptions, then check them again

Such things as to ice the cake (or not) are important & no cherries in Jubilee Cake

RICH FRUIT CAKE & GENOA CAKE CHAMPIONSHIPS

2024/2025 MLASA Finals to be held at the **PINNAROO SHOW** on WEDNESDAY 9th OCTOBER 2024

The Association Semi-Final winner is then eligible to enter a Rich Fruit Cake / Genoa Cake at the State Final to be held at the Royal Adelaide Show in 2025.

State Finalists are presented with a bottle of St Agnes Sherry, sponsored by ANGOVES, and other ingredients, sponsored by SUNBEAM.

NO ENTRY FEE - One entry only per Championship, per exhibitor

(Entries must be from an individual and must include the entrant's name and full contact details)

No exhibitor can win more than one Association Final per Championship. Once an exhibitor has won at Association level, they cannot enter another Association Final for that Show Season.

Section M - State Cookery Championships

WHAT THE JUDGES ARE LOOKING FOR IN RICH FRUIT CAKE AND GENOA CAKE:

To judge, the cake is cut straight across. Tasting wedge to be cut from the centre of the cake.

Appearance - Smooth appearance on top, bottom and sides. No sign of shiny, dark, overheated fruit protruding from the surface. The cake should be firm, smooth, fresh and not too moist to touch but not too dry either, preferably with a well ripened patina on the top surface. Straight sides, and a smooth flat top showing even distribution of fruit.

Finish in baking - No bumps, hollows or sunken centres, nor large cracks (a small crack is not a major fault). The cake should cut cleanly, without any crumbs, and without catching and dragging of fruit. There should be no burning or crusty top or sides (caused by too hot an oven or insufficient papering). After the cake is cut, the fruit closest to the outside should not appear to be dark and shiny (caused by overcooking in too hot an oven). This fault causes a bitter flavour. No air bubbles in finished cake.

Colour - Cake should be cooked evenly all over- top, bottom and sides should be an even colour. Attractive, even, golden-brown on the top, bottom and sides of a Genoa Cake. A darker colour for the Rich Fruit Cake.

Texture - Firm and fine; it should be moist, not soggy nor dry. The texture should be smooth and even, and the same right through the cake. A well ripened cake cuts cleanly and evenly.

Flavour and aroma - Delicious, and should be a perfect blend of fresh eggs and dairy ingredients, sugar, essences, flour and spices, sherry or brandy and quality dried fruit. Beware of an overpowering flavour or aroma of essences or spices, or the acrid smell of overheated fruit.

Decoration - Do not decorate Rich Fruit Cake with almonds. Genoa Cake may be decorated with almonds.

Presentation - Remove all paper from the cake before exhibiting. No cake cooler marks.

JUDGING SCORES:

Judging scores are based on the following: 50% Appearance | 25% Texture | 25% Taste/Flavour

“A fruit cake, like maturing wine, is greatly improved with age. Many a prize has been won by a cake almost fresh from the oven, but if allowed to keep, a change will develop about the end of the first week. The surface of the cake will start to develop a patina, and the aroma becomes richer.”

FAULTS TO LOOK FOR:

- Carelessly prepared tin – wrinkled lining.
- Careless measurement of ingredients – sugar becomes liquid when heated, so care must be taken not to exceed the recipe quantity.
- Carelessly prepared fruit – not correctly cut and separated.
- Insufficient creaming of butter and sugar.
- Eggs not beaten in well after each addition.
- Overpowering aroma of essences and/or spices
- Flour and fruit not sufficiently mixed in – leaves streaks and unmixed dry ingredients.
- Carelessly filled tin – work cake well down (Never leave the scrapings from the bottom of the bowl sitting on top of the cake. This will show a pale patch when cut).
- Oven too hot OR Oven too cold
- Insufficient cooking time – the cake will sink in the middle and be very soggy

Are you the future of judging?

The Young Judges competitions are designed to develop judging talent and help young people connect with & learn from industry professionals, providing the opportunity to learn lifelong skills.

With competitions held at many local SA Country Shows, the state finals of the Young Judges competitions are held at the Royal Adelaide Show each year. You will have the opportunity to develop and showcase your skills in evaluating sheep, wool, beef & dairy cattle, grains and poultry.

Competitions are open to any interested youth (and SA Country Show finalists), who are over 15 years and under 25 years on 1 May in the year of the state competition and are residents of SA. The winner of the state final competitions will then be invited to participate in the National Young Judges Final which is rotated around each state in Australia, and New Zealand.

Section XY: BLOKES' CHALLENGE

Instigated by Bose, this challenge personifies the spirit of the "Blokes" of Pinnaroo.

This hallowed cup pays tribute to the pioneers, who diligently cultivated the way for us all in this Land of Promise. Forget the old age motto of outplay, outwit, outlast... for we thrive on the motto of outstay, outknit, outcook, outmake, and outdo.

We do this in pursuit of what we take very seriously: fun. Fun with and at each other, where our competitive egos are put to the test, yet cast aside as we come together to laugh at and with each other.

The annual holder of this cup will be forever remembered as a Pinnaroo Bloke, thus ensuring our motto will be passed on to the next year.

The Challenge

Entry Fee: \$1.00

The 2024 Blokes' Challenge will be released soon...
